

Subject: Amendment of the maximum weight  
(Gegenstand)

Effectivity: Sailplane ASTIR CS from serial-no 1001 to 1223  
(Betroffen) inclusive.

Accomplishment: By choice.  
(Dringlichkeit)

Reason: Amendment of the maximum weight:  
(Vorgang) The maximum weight without water-ballast will be increased from 370 to 380 kg

Instructions: - Change the placards (weight and velocity)  
(Maßnahmen) placed right hand of the cockpit seat

- Flight-manual: Change following pages 3, 4, 5, 7, 8 (in printed manual) or 3, 4, 4a, 4b, 5 (in photocopied manual). Right Flight-manual now with addendas from 22.5.76

- Make a new weight summary and compute the changed payload

- Note the changed weights in Flight manual page 6 (printed) or page 4c (in photocopied manual). Record these changes in the aircraft logbook.

Material: Changed placards and changed pages for Flight  
(Material) manual only from the manufacturer B. Grob Flugzeugbau

Weight and balance: No change  
(Gewicht und Schwerpunktslagen)

Remarks: Work will be done by manufacturer B. Grob  
(Hinweise) Flugzeugbau, licenced workshop or certified aircraft inspector.
